

Replacement Garage Doors

August 2009

Merchantville Overhead Door

220 Kaighns Ave

Camden, NJ 08103-3269

(856) 662-0366

The model is Raynor, Classic, White, pebble finish.

The cost is about \$675.00 installed per door.

There is a \$40.00 fee for reconnecting an automatic garage door opener if applicable.

Additional notes:

The finish will be brighter than the other door. It would be homeowner's choice to purchase two doors or just wait until the new door gets dirty. Since the doors are separated by siding, it may not be that noticeable.
